This section shows results considering only the information available for the current month. To see the rest of the available and updated information for previous months, please refer to the corresponding sections in the body of the document.

Executive Summary (Mar-2024)

HOTEL ACTIVITY: Occupancy, ADR and RevPAR in the traditional hotel industry remain at high levels, increasing in comparison with the previous year. At the sub-destination level, San José del Cabo continues to increase its ADR, consolidating in 2024 as a destination 37% more expensive than Cabo San Lucas, while El Corredor once again registered a record high average rate. Likewise, RevPAR is at its highest level on record.

- Hotel occupancy in Los Cabos in Mar-2024 registered 83%, or 3pp higher than in Mar-2023. At the sub-destination level Cabo San Lucas recorded 83% (+1pp), San Jose del Cabo, 71% (+3pp), and El Corredor, 76% (+6pp) compared to Mar-2023.
- The average rate at Los Cabos hotels during Mar-2024 was \$553 USD, 9% higher than Mar-2023. The highest rate is presented in El Corredor (\$884USD), maintaining its upward trend (+47% vs previous year) and again registering the highest level since the beginning of the observatory; Cabo San Lucas reaches \$320, down 13% vs previous year, while San Jose del Cabo averages \$436 and raises its rate 14% (this increase comes hand in hand with a 16.3% reduction in the supply of available rooms in the subdestination). In Mar-2024 RevPAR was \$459 USD; 13% higher than in Mar-2023.
- In Feb-2024, the supply of accommodation through online platforms increases 59%, reaching 9.7 thousand. However, occupancy fell 16pp to 57%.
 - The average daily rate in this type of lodging is usually higher than in hotels, however, since Dec-2023 it continues to register lower levels. In Feb-2024 it is \$510 (24.9% less than Feb-2023) and (\$39 less than traditional hotels). The increase in supply has gone hand in hand with the decrease in prices in this type of properties.

TOURIST SATISFACTION: Tourist satisfaction with the destination, security, and the Los Cabos airport all showed decreases this month compared to the previous year. Satisfaction with the destination continues to show a negative trend since the beginning of 2024. However, the proportion of repeat visitors and those traveling in packages again showed increases.

- In Mar-2024, 63% of tourists rate Los Cabos as "more than expected" (-17pp versus Mar-2023), showing an increasing negative trend during the first months of 2024. Satisfaction with safety in Los Cabos decreases 1.1pp, and 2.2% of tourists had a fair or poor perception (however, these levels continue to be among the lowest on record). Satisfaction with the airport, however, drops 3.5 pp compared to the previous year, reaching 5%.
- Repetitive tourists are up 4pp when compared to 2023: 35% in Mar-2024; which also represents an increase of 14pp compared to Mar-2024.
- Package tourists also showed significant growth (+10pp), reaching 28%.

MEETINGS: RFP's received for group events decreased 5 units in Mar-2024 although it represents the highest level in the last 7 months and the second highest of the year.

- In Mar-2024, 65 RFPs are received (5 less than in Mar-2023).

Executive Summary (Mar-2024)

AIR ACTIVITY: The domestic market remains at high levels, although it continues to decrease this month. The U.S. market grew, mainly driven by arrivals from Dallas and Phoenix. However, the participation of tourists reporting residency in states such as Washington, continues to increase. International tourists on private flights presented one of their highest levels since the beginning of this observatory.

- En Mar-2024 arribaron 379.05 mil pasajeros al aeropuerto de Los Cabos (incremento de 1.2% con respecto a Mar-2023).
 - Los pasajeros en vuelos nacionales (109.75 mil) representan el 29% del total (y disminuyen 7.2% vs el año previo). El 39.3% de éstos proviene de la CDMX (AICM, TLC y NLU), seguido por Guadalajara con 22% y TIJ con 21.8%. Tijuana se mantiene como el mercado mexicano con el mayor crecimiento, mientras que la CDMX continúa perdiendo participación de mercado (-9pp acum. del año).
 - Los pasajeros en vuelos internacionales (269.3 mil) representan el 71%, con un incremento del 5.1% en comparación con el año previo. Los principales aeropuertos de origen son Los Ángeles (12.5%, aunque disminuyendo su participación), Dallas (10.7%) y Phoenix (10.5%).
 - No obstante, California y Texas se siguen manteniendo como los principales estados emisores de turismo estadounidense a Los Cabos (24% y 12% del total). Seguidos por Washington (11%), el cual continúa incrementado su participación. El costo promedio de vuelo desde los aeropuertos LAX ha sido generalmente la opción más económica desde EE.UU. (este mes, 24% más económico que el promedio).
 - Desde Canadá, el principal emisor en este año ha sido Vancouver (39.7%, y +5.2pp vs 2023), seguido por Calgary (24.5%), y Toronto (13.9%).
 - El 84.6% de los turistas extranjeros que se internaron en Ene-Feb-2024 a través de SJD tuvo residencia estadounidense y el 12.4% canadiense. La internación de turistas con pasaporte estadounidense sube 7.3% versus Feb-2023 mientras que aquellos de Canadá caen 5.9%.
 - La internación de turistas de Sud y Centroamérica, y del Resto del mundo, sube (+26.4% y +21.6%, respectivamente). Alemania sube este mes 163%.
- Se registraron un total de 4,422 operaciones comerciales (1.8% menos que en Feb-2023) y 1,891 operaciones privadas (+31.3) en el aeropuerto internacional de Los Cabos (SJD).
- Adicionalmente en Feb-2024 arribaron 10.6 mil turistas internacionales en vuelos privados (+23.2% vs Feb-2023). Este es el nivel más alto registrado desde Mar-2022 y el segundo más alto desde inicios del observatorio.

CRUISES AND YACHTS: Cruise ship activity to Los Cabos shows steep declines in both vessels and passengers in Feb-2024. The number of passengers per vessel also decreases, suggesting a possible arrival of smaller vessels or a lower occupancy.

- In Feb-2024, 16 cruise ships arrived at the Cabo San Lucas marina; a decrease of 16 ships compared to the same period in 2023. These vessels transported a total of 59.9 thousand passengers (-39.2% vs. Feb-2023).

Foreign Tourist Admittances through SJD per Nationality

Foreign Tourist Arrivals in San Jose del Cabo International Airport, per Nationality (Feb-2024)

Annual change in foreign tourist arrivals to San Jose del Cabo airport (Sep-2023 to Feb-2024 vs. previous year)

* **Explanatory note:** The source of data used to account for tourist arrivals changed since September 2023. Previously, the accounting was based on the residence reported by tourists upon entering national territory; currently, this accounting is based on the nationality of the passport presented at the port of entry. This modification improves accuracy in the measurement of volumes and origins of foreign tourists, although it prevents direct comparison with previous data based on residence.

TOURISM OBSERVATORY

GLOSSARY

Glossary

- **Congress.** Non-business-oriented meetings in which large groups of individuals gather, generally to discuss and exchange points of view on a topic of interest. They usually have a duration of several days and simultaneous sessions, as well as a predefined multiannual or annual frequency.
- **Convention.** Trade or business meetings usually sponsored by a corporation, in which participants represent the same company, corporate group or customer or supplier relationships. Sometimes participation is mandatory and travel expenses are paid by the corporation. Includes those general and formal meetings of a legislative, social or economic body, in order to provide information, deliberate or establish consensus or address policies on the part of the participants, as well as to address business issues around a market, product or brand. They may contain a secondary exhibition component.
- **Rooms available.** The number of rooms in service. It does not include rooms that are out of service due to repairs or any other cause.
- **Tourist destination.** The primary destination of a tourist trip that is fundamental to the decision to make the trip. See also main reason for a tourist trip.
- **Seasonality.** Means that tourist flows tend to concentrate around certain times of the year, repeating this process annually.
- **Length of stay.** It is the result of dividing the total number of overnight tourists by the number of tourist arrivals per month. The result obtained expresses the number of days of stay of the tourist.
- **Events or incentive trips.** Incentive travel is a modern management strategy focused on recognizing people who achieved or exceeded objectives commonly related to sales or productivity, targeting participants who demonstrate improved job performance with an extraordinary travel experience.
- **Room nights.** This is obtained from the daily record of the number of tourists occupying the establishment's rooms, by length of stay (number of nights spent in the establishment) and is classified according to their place of origin, into residents or non-residents.
- **Inflation.** Continuous and generalized growth in the prices of goods and services sold in an economy. It is the average growth rate from one period to another of the prices of a basket of goods and services.
- **Underlying inflation.** It is the increase in prices of a subset of the CPI (National Consumer Price Index), which contains the least volatile items. It measures the inflation trend in the medium term. The 283 generic concepts that make up the CPI basket of goods and services are classified or grouped into subsets that respond to particular needs of analysis, among the best-known classifications are by object of expenditure, that which refers to the sector of origin of goods and services, and that of durability of goods and underlying inflation.
- **Passenger arrivals.** Passengers transported on airline aircraft with established routes and itineraries.
- **Tourist arrivals.** Corresponds to the number of tourists registered by the establishment during the month.

Glossary

- **Nationality of a visitor.** That of the country issuing the passport or other identity document, even if they habitually reside in another country.
- **Non-Resident.** A person whose usual place of residence is outside Mexican territory and who visits Mexico for a period of less than twelve months for any reason (business, vacations and others). Excluded if remuneration is received for the activities carried out in the place visited.
- **Hotel occupancy.** The occupancy rate of accommodations is a concept based on supply. It is an important indicator for many purposes. It provides information on the differences in utilization among the various types of lodging establishments. It also indicates the seasonal pattern for tourist accommodations.
- **RevPAR.** RevPAR is the most important metric used in the hotel industry to assess the financial performance of an establishment or chain. It is an abbreviation of Revenue Per Available Room. It always refers to a specific period (weekly, monthly, yearly, etc.). One way to calculate RevPAR is through the formula: $RevPAR = It / \Sigma Ht$, where It is equal to the total revenue generated by rooms in a period t . and ΣHt is equal to the total number of rooms available in a period t . That is, the rooms of the establishment or chain multiplied by the number of nights in period t minus the unavailable rooms.
- **Resident.** Individual whose usual environment is in Mexican territory.
- **Residence.** The place/country where the traveler has stayed for most of the previous year (12 months) or has stayed for a shorter period and expects to return within 12 months to live in that country.
- **Average daily rate** (commonly referred to as ADR) is a statistical unit that represents the average revenue per occupied room paid in each period. The ADR along with the occupancy of the property are the basis for the financial performance of the property. ADR is calculated by dividing room revenue by the number of rooms sold. House guest rooms (known as house use) and complimentary rooms (known as complementary) should be excluded from the denominator.
- **Tourist.** Any person traveling away from his or her usual location for a period of less than 12 months and for any reason, except persons engaged in activities that will generate income for them at the travel destination; refugees or migrant workers; diplomats; seasonal or border workers; or tourism employees.
- **Visitor.** Any person who travels away from his or her usual location for a period of less than 12 months for any reason, except persons who engage in activities that will generate income for them at the travel destination: refugees or migrant workers; diplomats; seasonal or border workers; tourism employees; or persons seeking to establish a new residence or employment.
